Treat the Inside Nerves

There is one sure way to get well. That is to restore the inside nerves. Dr. Shoop's Restorative is the only treatment that in any way affects the inside nerves. It is a remedy which acts safely and positively, not on any specific organ, but on the very inside nerves themselves—a medicine which gives them power, and strength and reinforcement, that repairs the very marplotting of life, that vitalizes every organ. For sale and recommended by Palace Drug Store, C. H. Martin, Prop.

Three are lights will be placed in the business part of town, one at the intersection of State and Washington Street, another at the intersection of Grand Avenue, State, Locust and Mill street, and the other at the intersection of Mill and Washington street. The other lights will be located later. Work will be pushed right along and the poles put up as rapidly as possible.

The series of meetings which had been held at the Presbyterian church for the past two weeks closed with the meetings last Tuesday night and Rev. Hendricks and Mr. Carter left on the Wednesday morning train for Tennessee, where they will open a two weeks engagement. Both these gentlemen are very popular and their meetings have been very successful. It is to be hoped that sometime they may come here again, for our people dearly love to hear Mr. Hendricks talk and Mr. Carter sing.

Wednesday morning of this week had the appearance of a real old fashioned winter morning. Two inches of snow had fallen during the early hours of the morning following the light sleet that had fallen during the early part of the night, and as the snow was damp and heavy it hung to the branches of the trees and against whatever it had fallen on until all the view had a snow coating. The real season of winter will not commence until the 22nd of December next. Nevertheless, considerable of winter weather may be expected between now and then. As the first snow fell on the 14th, according to the old saying, there will be fourteen snows before the Spring season opens.

The members of the St. Benedict's Catholic church will give a box supper at the court house next Thursday night, November 22nd, and everybody is invited. The proceeds will be used to improve the church property.

Reuben Green, who had his hip broken by falling through a trestle in the yards here, a few weeks ago, and has been in the Mo. Pac. hospital at St. Louis since, is recovering rapidly. He is able to be about on crutches and can go around without trouble.

Several parties of hunters from the north, have come in during the past week and have gone up into the hill country up the river for the purpose of camping out for a hunt. That's a glorious country up there at this time of year. Beautiful scenery, magnificent water, ozone by the ton, and plenty of game.

On the first page of this issue will be found the advertisement of the Racket Store. Mr. Lawrence, the proprietor, has built up a fine trade since embarking in business here, and he is continually adding to his already large stock of goods. He includes all lines nearly and a call on him will be of mutual benefit.

Seven ear-loads of stock were shipped from this station, this week Tuesday, to St. Louis, viz: Two ears of cattle belonging to Aaron Price, one ear to L. B. Whitwell, two ears to C. B. Eaton and one of cattle and one of hogs to Edley Crim, of Gatewood. Pope Whitwell and Aaron Price went along with the stock.

H. M. Quisenberry and Miss Laura Quick were united in marriage last Wednesday at the home of the groom's parents about a mile and a half east of town on the lower Greenville road. Judge John A. Pulliam performed the ceremony, at 6 o'clock, p. m., and he was assisted by Judge Frain Harris, who with his wife was among the guests, only a few friends besides the families being present.

The new farm residence of J. M. Stanley, who lives on the Maynard road, about nine or ten miles southwest of town, was totally destroyed by fire about noon last Monday. Very few of the household goods were saved, as the roof of the building began falling in before the folks in the house knew of the fire, which had caught in the roof from the floor. There was an insurance of about \$300 on the building, in an old line company.

Residence Burned.

The residence of John Towles, who lives about three miles south of town, just this side of the Towles school house, was destroyed by fire at an early hour Wednesday morning. The fire is supposed to have caught in the roof, as the family were not aroused until that part of the house was about ready to fall in. They had barely time to get out of the house before the roof fell, and the neighbors that gathered were only able to save two beds, a trunk and a sewing machine, everything else in the house being destroyed, even the clothing of the family being burned. Mrs. Towles did not have a single garment of her wardrobe saved except the nightclothes she had on at the time. There was \$1,000 insurance on the personal effects of the estate, but only about \$250 of it was on the house, the remainder being on the farm buildings and machinery, the insurance being in the Ripley county Farmers Mutual Co. The loss will be a severe one to Mr. Towles, as he was comfortably fixed and it will take him some time to again get back to where he was before the fire.

It's A Good Combination.

This very excellent company will be in Doniphan on Saturday, November 17, at the court house, and on the 18th, Sunday, will be at the Presbyterian church. The admission will be a piece of silver money. Pennies and nickels are not silver, therefore, let each one bring a silver coin. The California Voice, the official organ of the Prohibitionists of California, in speaking of the Meneley Quartette says:

There's no question about it, Meneley's are winning laurels, carnation and pink geraniums all over Southern California on their singing tour. They are splendid. Their work in Los Angeles for the past two weeks was even more than could be expected. Mr. Meneley has his company well in hand. Miss Ricketts is a very superior soprano, and Mr. Ricketts—well, he's funny. The fool-killer would laugh himself into hysterics at some of the funny things this inimitable funny man gets off. Hear them.

SCHOOL NOTES.

Prepared by Supt. E. M. CARTER.

FIRST GRADE.

The B class began work in the reader Monday.

The attendance in this grade continues excellent.

Della Kinnard and Orpha Hoge enrolled with us this week.

The A class have finished reading Book 1 of the New Education Readers and are reading the Ward Primer.

The pupils of the morning session had their second half holiday on Wednesday. No tardies this year for this division.

SECOND GRADE.

Florence and Winnie Smith have returned from an extended visit in the country.

Aldah Cantwell, of Searcy, Ark., a former pupil of this grade, visited us last week.

Guy Cunningham is back at his work again after several days absence on account of sickness.

This grade in company with the first grade had a pleasant walk to the woods Thursday morning searching nature's treasures.

THIRD GRADE.

No tardies for seven weeks.

Our attendance is almost perfect the last two weeks.

Lizzie Floyd enrolled in the third grade Wednesday.

Visitors are welcome any time. Especially do we invite the parents.

We were honored by a visit from Mrs. J. M. Atkinson Wednesday afternoon.

FOURTH GRADE.

Three red letter entries this month.

Miss May Scott made us a visit Thursday afternoon.

Quite a number of the pupils have been sick; but several have been absent for other reasons than sickness. Children who remain out of school cannot expect to make passing grades at the end of the year. Some of the most difficult subjects of the year are being studied now and the pupils who are absent are at a great disadvantage.

FIFTH GRADE.

Four red entries for the sixth grade girls.

Walter Kinnard from Bardley has enrolled with us.

We are keeping a neat set of books on accounts and bills.

Next week are the examinations but we will come out victorious.

Both 5th and 6th grades enjoyed a half holiday Friday afternoon.

The boys and girls realize "that life is no dream or anything of naught."

HIGH SCHOOL.

Basket-ball.

Spirit excellent.

The Seniors continue their perfect record in attendance.

Miss Fern Lawrence was out one day last week because of sickness.

Announcements regarding the high schoolships will be sent out in a few days.

Those who are permitted to carry five subjects are expected to "make good" in all.

We have no tardies in the high school for the present month. Only one tardy in the last six weeks.

Attendance for the week past: Seniors, 100 per cent; Juniors, 98.8; Sophomores, 97.6; Freshmen 96.6.

The Sophomore English class will organize a Sophomore Debating Club. All hail to the spirit that prompts the movement.

Teacher:—Name some of the different kinds of fowls.

Freshman:—Chickens, turkeys, bugs and slugs.

GENERAL COMMENTS.

Report cards are due in two weeks.

We need every pupil in school every day.

Write Supt. E. M. Carter for free High School Bulletin.

Pupils from the country continue to enroll. All are welcome.

Now is the time to prepare to pass the final examination next spring.

The spirit of punctuality among pupils of all grades is especially gratifying.

Mr. Will Paul entered school last week. We are glad to welcome him to our school and its advantages.

Friday, November 23d has been set apart by teachers and directors as a "Grand Rally" day for the Ripley County Schools.

We have the largest number of pupils from the country districts this year that we have ever had. Many others will enroll later. These facts are very pleasing to teachers and the Board of Education.

Prof. Geo. Melcher, the excellent Superintendent of the Greenfield schools, speaks as follows on the importance of home study: "The habit of independent study in the quiet of one's own room is one of the most valuable acquisitions that a high school pupil can make, and it is also one of the most useful agencies in securing a thorough education. The student's room at home should be his best place for study."

Patrons' Day in Rural Schools.

Friday, November 23d, has been set apart as Patrons' Day for the rural schools of Ripley county. The efficiency of our school work would be greatly increased if parents and teachers were better acquainted and understood each other better. We believe this meeting of patrons, teachers and pupils will result in much good to our rural schools. Let every teacher make an effort to make this meeting a success, for its success or failure will depend largely upon the effort made by the teacher. School sentiment is good in this county but Patrons rightly expect the teachers to be the educational lead-

The Grand Clothing House

"It's not the price you pay but the value you receive that constitutes a bargain."

For a Fall or Winter Suit or Overcoat.

See that your garment is made right. What is the use of buying a garment that has poor trimming and lining. It's like buying a brick house with a wooden foundation.

If you don't consider it important to have your clothes made right, then you might as well buy the cloth alone and let your wife or sister make your clothes. We feel certain they will make them better than good many garments offered for sale. We've got the clothes you should wear. They are tailor-made and designed by experts—made in the sanitary shops of Schwab, St. Louis. Ask to see their \$15 Special Suit. In our line of Overcoats and Cravens we have a nice selection and our prices are consistent with quality.

In our Shoe line, since adding the Walk Over line in our fine shoes, we have found it to be a success. We desire to state to all who desire anything in the Walk Over line if we have not in stock we will order any kind they make both in size and last and have them here as soon as the Company sends them.

To our selection of Caps and gloves, we desire to call your attention. An early selection before the lines get broken is preferable.

er of their district and every good teacher is anxious to have his work inspected by visitors. This movement is something entirely new and has originated in this county, but all new movements must originate somewhere and we believe our county should be and is a leader in the work of the public school.

I would also urge upon the parents the importance of this meeting. You are largely responsible for the success or failure of your school and by your presence at this meeting you will be able to encourage both teacher and pupils. The boys and girls of Ripley County deserve the best there is in the way of an education. Let us, as teachers and parents, see that they receive the best that we are able to give them.

Respectfully,
E. T. FOARD.
